Where does the time go? It's already Tax Season!

If you are reading this, more than likely you have received our postcard in the mail! This year we have

made some changes, with the hope of giving you an easier and more accessible tax experience.

Our plan is to keep you abreast of all Tax Law changes that have been made this year and those that

will take place in the future. You may view ALL of these changes on our **Website** or **Facebook Page**.

When browsing our Website, you will find our "**Tax Organizer**" which most of our clients refer to as the

"Green Sheet". It is printable or fillable....whichever way you prefer.

Items you will find here on our "Website"

- 1.) Tax Organizer
- 2.) Client Referral Coupons
- 3.) Request Extension Form
- 4.) Tax Law Updates

It's very important to call and schedule an appointment as soon as you obtain all your documents.
